Christmas Tree Safety Tips

Trees - A real tree can add to the spirit of Christmas, but can also pose as a fire hazard. We do not recommend real Christmas trees.

Tree Lights - Only use indoor lights on your indoor trees. Check for broken bulbs, cracked sockets, or frayed wires. Do not use more than three light sets per extension cord.

Ornaments - Always use a proper step stool to reach high places. Avoid placing breakable tree ornaments with children present. Never place lighted candles on a tree or near any flammable material.

Reminder: please do not put your Christmas tree in the regular trash. We will provide an open top container for Christmas trees.
